WORK EXPERIENCE

Full Stack Developer Trainee

At Jspider

08/2023 - Present,

Tasks

Creating a UI for a [Survey Form](#) using HTML, CSS and JS.

Creating a UI for a [Calculator](#) using HTML, CSS.

I joined Jspider on August 1, 2023, as a java trainee. Now, I am familiar with topics such as object-oriented programming (OOP) concepts, including the four core features: inheritance, Polymorphism, Encapsulation, and Abstraction.

The next concept I covered was arrays. In this module, I learned about 1D arrays, sorting 2D arrays, and regular expressions.
